

Sputter Orion usage policy

1) Cleaning of chuck with Acetone and IPA is compulsory.

2) Three persons per group are generally given authorization.

3) All targets are changed as per the request of users and in case if any user is not depositing material which he/she has requested for then it will be consider as a **violation** and he/she shall have to appear before DAC committee and have to explain why requested target is not utilized for his/her process for that particular week.
